Dear Parents and Carers,

As a humanitarian crisis unfolds in Ukraine following its invasion by Russia, we as a school feel very strongly that we should try to find about practical ways in which we can help to provide aid to children and their families.

Therefore, we are asking for donations of the following items below.

Pupils can bring their items in and hand in to Miss James or Miss Morgan (Assistant Headteacher, Science) in the main hall BEFORE 8.30 am each morning. We will ensure these items are delivered to local collection areas.
